

Chalfont St Giles Parish Council
Help Santa Find The Missing Snowmen
Competition Form (Children aged up to 11)

Sometimes winter is too cold even for snowmen. Last night the weather was so cold the snowmen all went inside the shops to try to keep warm.

The shop keepers of the village allowed the snowmen to stand in their windows until the weather improved.

Can you look into the shop windows and see how many snowmen you can find?

In the shops listed on the back of this form, you will see some pictures of snowmen. Count how many snowmen pictures are in each shop window then write the number on the back of this form.

When you have found all of the snowmen and chosen your favourite shop window, put your form into the Christmas present box in the Community Library or post through the letter box by **4pm on Friday 20th December**. **Winners will be drawn from the correct answers and announced on the village green on Saturday 21 December.**

I think the best shop window is.....

Your Name.....Age.....Phone number.....

E mail (optional).....

Count how many snowmen are in the shop windows and add the numbers to the boxes below. Add them up and put the total at the bottom.

Shop Name	Number of Snowmen in the window
