

Chalfont St Giles Parish Council Help Santa Find His Special Magic Reindeer

Competition Form (Children aged up to 11)

A herd of reindeer have travelled from the North Pole to Chalfont St Giles. On the way they met some other reindeer who decided to come along too.

Santa is getting worried because he cannot find his Special Magic Reindeer and it's nearly Christmas.

Will you help him look for them?

In every shop window in the village you will see a picture of a reindeer. When you find one of Santa's Magic Reindeer write its name next to the shop that you saw it in. Remember not all the reindeer are Special Magic ones, some are just ordinary.

When you have found the nine Special Magic Reindeer post your form in the Christmas Present box in the Community Library by **4pm on Friday 15th December, also please tell us which is your favourite shop window.**

I think the best shop window is.....
